

Acting Chief, St/IR

6 October 1955

Chief, Services Division

Comments on Attached Draft Concerning Exchanges of Materials with
the USSR

1. This Division is in substantial agreement with the points
presented in the attached draft statement of the CIA position on
the exchange of documentary materials with the USSR

2. The Division would welcome an increased emphasis on any
measure designed to expedite Soviet release of statistical data,
either to the US or to economic organs of the United Nations.
